ALL INFO*

Dear Paul:

I'm sorry to inform you that there have been no formal charges brought against Joseph Zottoli and Gary L. Strain to date. However, I will keep a close watch on these two men as we have reason to believe they should not be registered with the Boy Scouts of America and our council.

I will keep you posted, should we have additional pertinent information that justifies not registering them here or elsewhere.

Sincerely,

*Arnold T. Takaki*

PERSONAL AND CONFIDENTIAL

RE: JOE: Joseph Zottoli and Gary L. Strain

Dear Carl:

Earlier this year we had correspondence concerning two individuals for whom you sent confidential record sheets. These were Joseph Zottoli and Gary L. Strain.

At that time we indicated that we would like more information which would substantiate our refusal of registration wherever those individuals might move. We would need some documentation such as complete statements indicating the reasons for refusal or registration, newspaper clippings or letters from individuals. We would also like know if these individuals have been convicted of their charges and what sentencing took place. Copy of court records if available would be most helpful.

If we do not receive more information than the confidential record sheet, it will be most difficult to maintain them on file and refuse registration in other localities.

Sincerely,

PRIVATE AND CONFIDENTIAL

Dear Carl:

Thank you for the confidential record sheet on two individuals which we recently received. We appreciate this information and believe that both people should be refused registration if it should be submitted.

Special file card information on both Joseph Zottoli and Gary L. Strain. It is necessary to be able to place these individuals on our file and refuse registration whenever they may come.

Please refrain from such information as you may receive which is not to be used for a person charged with any surmountation. Responsible statements, newspaper clippings or letters from individuals concerning the matter should be very helpful.

If either individual is ever registered, to the best of my best records would be very helpful. Thank you for helping me to solve this problem which will help me to solve other problems.

Sincerely,

Paul J. Ernst, Director
