CLAIKE -  
GIVE ME  
ALL INFO

Dear Paul:

I'm sorry to inform you that there have been no formal charges brought against Joseph Zottoli and Gary L. Strain to date. However, I will keep a close watch on these two men as we have reason to believe they should not be registered with the Boy Scouts of America and our council.

I will keep you posted, should we have additional pertinent information that justifies not registering them here or elsewhere.

Sincerely,

Arnold T. Takaki  
Field Director

PERSONAL AND CONFIDENTIAL

Dear Darl:

Thank you for the confidential record sheet on two individuals which we recently received. We appreciate this information and believe that both people should be refused registration if it should be submitted.

We would like more information on both Joseph Zottoli and Gary L. Strain. This is necessary if we are to place these individuals on our file and refuse registration wherever they may move.

Please send us as much information as you can which would indicate the reasons for the charges with any substantiation. A detailed statement, newspaper clippings or letters from individuals concerning the matter would be very helpful.

If either individual has been convicted, then a copy of any court records would be most helpful. Thank you for helping us in completing a file which will hold up in case of later problems.

Sincerely,

PERSONAL AND CONFIDENTIAL

SUBJECT: Joseph Zottoli and Gary L. Strain

Dear Darl:

Earlier this year we had correspondence concerning two individuals for whom you sent confidential record sheets. These were Joseph Zottoli and Gary L. Strain.

At that time we indicated that we would like more information which would substantiate our refusal of registration wherever these individuals might move. We really need some documentation such as complete statements indicating the reasons for refusal of registration, newspaper clippings or letters from individuals. We would also like know if these individuals have been convicted of their charges and what sentencing took place. Copy of court records if available would be most helpful.

If we do not receive more information than the confidential record sheet, it will be most difficult to maintain them on file and refuse registration in other localities.

Sincerely,

Paul I. Ernst, Director
