Mr. William J. McLaughlin  
Director  
Personnel Administration Division  
Boy Scouts of America National Office  
1325 Walnut Hill Lane  
Irving, Texas  

Dear Sir:  

Enclosed are two photos with background material of Stewart Geller.  

This letter is to confirm the conversation between the Director of Personnel Administration Division, William J. McLaughlin, and Special Agent J. Gregory Dunn on September 9, 1983. This conversation was in relation to Stewart Geller, wanted by the Federal Bureau of Investigation (FBI) for Unlawful Flight to Avoid Prosecution - Sodomy. Geller has been indicted by a Grand Jury in Nassau County, New York.  

The subject in question was previously associated with young boys belonging to a Cub Scout Pack in Southern Florida. It is the desire of the FBI to alert all scouting officials this subject could attempt to associate himself with boys of other packs or troops in the future.  

Special Agent Dunn, upon requesting to insert a photo and background information of the subject in the Scout leaders magazine, was informed this was against current magazine policy of Boy Scouts of America. However, scouting policy will allow the retention of a photo and background information of the subject in scouting files, and such files are used to screen all prospective scouting leaders, voluntary or otherwise.  

Enclosure (2)
The FBI is interested in the apprehension of this individual and therefore would appreciate being informed if the Boy Scouts of America obtain any information regarding him.

Very truly yours,

Thomas C. Kelly
Special Agent in Charge
