Dear Paul,

In response to your request for additional information on Mr. Gregory Charles Williams dated May 30, 1986, I must advise you that I am unable to provide any additional information.

As previously communicated, all charges brought against Mr. Williams were dropped by the presiding judge with the "remark" that there was insufficient evidence and the allegations brought against Mr. Williams were "unbelievable," based on facts presented.

Additionally, I would inform your office that Mr. Williams remains in this geographical area but has indicated no attempt to re-register with the Boy Scouts of America.

The Tidewater Council and those associated with Mr. Williams prior scouting association concur with the conclusion that registration should be refused, at this time.

Sincerely,

David S. Davies

Dear David:

Thank you for the information which you recently sent us concerning Mr. Williams and the charges against him.

We need more information for our file at this time. One of the pieces of information which would be most helpful is why were the charges dropped and the case dismissed? At this time, we feel that registration should be refused.

Please let us know if you need more information from us or if we may be of help in any way.

Dear Paul:

Thank you for your recent memo in regard to Gregory Charles Williams.

The case against Mr. Williams has been concluded in District Court as of October, 1985. All charges brought against Mr. Williams were dropped and the case was dismissed.

Additionally, it should be noted that Troop 67 does not wish to register Mr. Williams at this time and would suggest a period of "probationary status".

If I may be of any assistance in this matter, please let me know.

SUBJECT: Gregory Charles Williams

Dear Bob:

About a year ago, we had communication concerning an individual by the name of Gregory Charles Williams. At that time, you sent us a Confidential Record Sheet and a clipping indicating that Mr. Williams had been arrested.

We asked, at that time, for information concerning the outcome of any legal action. We would like to know now if a trial was held and the outcome. If he was found guilty, we would like to know the sentencing that took place. This will enable us to have a complete file and refuse registration anywhere it should be attempted by Mr. Williams.

Thank you for your help in closing this case. At the time of his arrest, Mr. Williams was registered in Troop 67 as an Assistant Scoutmaster.

Let us know if we may be of help.
