Sex-ringing involved trooipleader

NEW ORLEANS (AP) — A Boy Scout troop's scoutmaster and assistant scoutmaster were arrested yesterday and accused of recruiting boys for homosexual acts.

Detective Gus Standley said three men were arrested. Three others, including another assistant scoutmaster for the same troop, were being sought.

Standley said the investigation started when only "two" of Troop 137's 21 boys, aged 11 and 12, were involved in sexual acts with the men.

About 15 boys are known in the phenomenon, but not all were members of the troop, Standley said.

He identified the men arrested as the scoutmaster, Richard Helverson, 31; an assistant scoutmaster, Roy T. Waddell Jr., 31; and Lloyd G. Scherer, 22.

Helverson was booked on two counts of aggravated assault against a minor, disorderly conduct and indecent behavior with juveniles.

Standley said Waddell was booked with conspiring to commit sexual assault against an indecent behavior with juveniles, contributing to the delinquency of juveniles and home rule and of an 11-year-old boy.

Scherer was booked with conspiring to commit a crime, neglecting and contributing to the delinquency of juveniles.

A spokesman at the national headquarters of the Boy Scouts in New Brunswick, N.J., said the organization would have no comment "at this point until we have a chance to look into the matter."

But he said, "Obviously, we deplore any incident such as this and we will take appropriate steps in the circumstances."

He said the organization's legal council will look into the matter immediately.

Scoutmaster and Aide Held in Homosexual Case

NEW ORLEANS, Sept. 10 (AP)—A New Scout troop's scoutmaster and another man were arrested today and accused of recruiting boys for homosexual orgies. The police said that three others, including one other assistant scoutmaster for the troop, were named.

The police said that the scoutmaster, Richard Stanley Viens, and one other man, were arrested yesterday. The police said that the other man was identified as the scoutmaster of another New Orleans troop.

The investigation started when a commercial film developed showed the police about a pornographic film involving boys.

Those arrested were identified as the scoutmaster, Richard Stanley Viens and several other members of the troop. A spokesman of the National Boy Scouts of the U.S. said that the organization would have no comment at this point and that the investigation was still in progress.

Dear Paul:

I have been negligent in writing you to ask you add three people to the confidential files. They are as follows:

RICHARD S. HALVORSEN, 5922 Painters St., New Orleans, Louisiana, 70122, age 49, listed as Scoutmaster of inactive Troop 137, New Orleans Area Council.

HARRY CRAMER, 4811 Lancelot Drive, New Orleans, Louisiana, 70127, age 21, member inactive Troop 137, New Orleans Area Council.

RAYMOND A. WOODALL, P. O. 26597, New Orleans, Louisiana, 70186, age 32, Chairman, Committee, inactive Troop 137, New Orleans Area Council.

Halvorsen and Woodall have been arrested and are now awaiting trial on contributing to the delinquency of youth. Harry Cramer has fled but warrants are out for his arrest on same charges. There are additional charges on all three.

Proof of immoral acts against Woodall and Cramer were shown to me by the New Orleans Police with pictures. I have not seen any pictures on Halvorsen, however he seemed to be one of the ringleaders.

If additional information is needed please let me hear from you.

Very sincerely,

James E. Johnson

Dear Jim:

Thank you for your letter of November 21 concerning the above three Scopedon
employees and their confidential record of the same.

We would appreciate a detailed letter describing the facts in this case
along with the completed record filing. Additional documents, such as
letters from the people involved, newspaper clippings and notes of phone and
meetings will be a necessity. This information is important for future
reference any day and could certainly strengthen our position of denying
the name to our future applications for registration of the name to avoid
conflicts with those names.

Unless we receive the above requested material, it will be difficult to
place them on the Confidential File.

Sincerely,
