Dear Mr. Terry:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations which you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you seek to have this decision reviewed, please write to me. I will then see to it that a committee of three Boy Scout volunteers meets with you to consider your case.

Sincerely,

Jack Terwilliger
Council Executive
