Dear Paul:

In regard to your letter of April 18th concerning Richard L. Robinson of this Council, I wish to advise you that we are holding the information at the moment pending an appeal which Mr. Robinson has for a re-hearing based on insufficient evidence presented in his behalf at the trial.

When we receive a reading from the court, we will then proceed to complete the file on Mr. Robinson; however, we would appreciate your holding his name until further information is received from us.

Thanks so much and best wishes.

Dear Paul:

In following up on our personal and confidential report on Richard L. Robinson of Cecil County, Maryland, I wish to advise you as of today Mr. Robinson has not yet had his appeal hearing in court although they are accepting his appeal.

He is still in prison and will probably serve out his term before the appeal comes to trial. At this point, as I explained to you last Wed., we would like to keep this in abeyance until after the trial to see if he is exonerated or if the charges hold. If the charges still hold, we will file the usual form on Mr. Robinson.

Thanks so much for your assistance.

Sincerely yours,

M. R. Disborough

Re: Richard L. Robinson

Dear Diz:

Thank you for your letter of March 26, concerning Richard L. Robinson of Troop 238. Enclosed is the confidential record sheet you requested.

We would also appreciate a detailed letter concerning the facts in this case along with the completed record sheet. Substantiating documents, such as letters from people directly involved, or copies of police or court records are a necessity. This information is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this man.

Unless we receive the above requested material, it will be difficult to keep this man's name on the Confidential File.

Sincerely,

Paul I. Ernst, Manager

Gentlemen:

We wish to place the name of RICHARD L. ROBINSON in your confidential file. Mr. Robinson is formerly the Scoutmaster of Troop 238 in Elkton, Maryland. He resigned his position as Scoutmaster last fall when several parents brought charges against him for molesting their boys in connection with Scouting activities.

Mr. Robinson has continued to deny these allegations even though the parents have brought suit against him. The case has gone to court and in late November he was convicted of these charges.

He has never been sentenced in this case. He asked for another trial because his lawyer never accepted any of the witnesses that were there on his behalf or let him speak at the trial. Mr. Robinson feels that his rights were violated and he deserves a new trial. His lawyer has requested another trial and at this moment it is pending, thus the reason for no sentencing.

We are keeping abreast of the matter. I talked with Mr. Robinson yesterday who asked if he could work with adults in Scouting. I told him that he shouldn't work with anyone in Scouting until he officially receives a clean bill by the courts.

If you will please send me the proper forms, I will be very happy to fill them out for your records.

Best wishes.

Sincerely yours,

M. R. Disborough  
Scout Executive
