SUBJECT: David L. Gilman

Dear Mr. Kroehler:

You recently sent us the Scout application for David L. Gilman, 3117 S.W. Jefferson, Peoria, Illinois, to serve as Unit Commissioner, Unit #8601, District #1. We regret to inform you that we cannot accept Mr. Gilman's application.

When informing Mr. Gilman about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Gilman should raise any questions as to a reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right, and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interest of the organization.

We are herewith enclosing a Credit Notice of \$5.00. Please delete Mr. Gilman's name from your records.

Sincerely,

Re: David L. Gilman

Dear Al:

We are in receipt of a letter from Mr. Max C. Thomas, Director of Field Service and an attached copy of the letter you received from [REDACTED], Captain, The Salvation Army concerning David L. Gilman. We have placed this information in our file.

We do, however, need more substantiating information that will support our placing this man on the Confidential File. Please send us a signed statement from the father of the boy involved. This information is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible, together with the above requested material. We are also enclosing a copy of "MAINTAINING STANDARDS OF LEADERSHIP" which should answer the question Mr. Thomas asked in his letter concerning how to handle this situation from this point.

Sincerely,

Re: David Gillman

Notes from conversation with Mrs. Marion [redacted]
Allied Agency Mental Health Clinic

As you know David Gillman was registered as Scoutmaster of the Salvation Army Troop. After a short while there he was apprehended with some very questionable homosexual activities. We then discussed the problem with Captain [redacted], of the Salvation Army, who of course, immediately eliminated him as the Scoutmaster. We also struck him from our rolls as well as those of National Council. However at this point we wonder whether there is any further that needs to be done about this young man. My discussion with Mrs. [redacted] was based on a desire to find out her best advise on this matter. Her advise ran along these lines:

1. David is a chronically disturbed man and has had homosexual tendencies for some time. As long as he is kept away from groups of boys he seemed to be able to withhold his desire. Once with them they do come out. We must not, of course, allow him to be a Scout Leader in any way .
2. She felt that if he was prosecuted and sentenced the sentence would not be a long one, this falling under misdemeanor category and that in a few months he would be back out, doing much the same. She didnot feel that therapy would have anything to do with changing him. She also felt that any time spent in prison would tend to enhance his tendency in that direction; therefore there is no way that prison could help him. She emphasized the thought that the best experience she has had was that of counseling with boys who had been involved with this was quite important and that it be done very quietly and with as little fanfare as possible. The bigger the deal made out of this the worse or heavier the impact on the boys and with a possibility that they would practice it even more so because of the relative importance of the situation.

Dear Mr. Ernst:

I am enclosing a separation notice on a Mr. David L. Gilman with a letter of explanation as to the reason for our request for separation. I have talked with the officials at the Salvation Army and they have notified Mr. Gilman that he can no longer serve with their unit. I have talked with Mr. Gilman and told him that until the charges were cleared he could no longer serve with any unit in any capacity.

Would you please let us know as to how this might be handled from this point? I believe that after talking with Mr. Gilman that he understands the gravity of the situation and that he will refrain from any other youth activities. I suggested that he ought to seek help and log I council.

Thank you for your prompt attention and I await your reply.

Sincerely yours,

My dear Mr. Roberts:

Misconduct; case of Scoutmaster
David Lee Gilman

I want to recapitulate matters in this case to date and then relate the allegations against Mr. Gilman.

After a recent campout two of our boys said they would not again camp out with our Troop. One boy was questioned by his father and related that a second boy had been homosexually molested by Mr. Gilman. The father called me and then contacted the other father.

I interviewed both fathers and the first boy. The second father agreed to talk to his son and get back to me. He did both. I then talked to the second boy who confirmed these facts.

He stated specifically that Mr. Gilman "tried to feel me between my legs" and had touched his penis and testicles. This happened three times the morning of Saturday, March 16, 1974, at Camp Waconda.

The father and son are willing to do what is necessary to prosecute. Our Troop Committee feels that others should be protected and request that Mr. Gilman be restrained from participation in Boy Scout of
