Dear Mr. Davis:

You have again written to us concerning your registration with the Boy Scouts of America. You ask what charges have been made against you concerning your denial of registration. As I mentioned previously, we deny registration when we feel it is in the best interests of our youth members.

If you feel that there has been a decision made which is unfair, perhaps you should give us a complete resume of your previous Scouting experience, so that we may check further and determine if our facts are not accurate. You might also send me a record of your employment for the past ten years, so that I might make certain that we are not making an error in some of our judgments.

Sincerely,

Paul I. Ernst, Director

Dear Mr. Davis:

Quite some time ago, you wrote to us related to your registration with the Boy Scouts of America.

Periodically there are decisions made which deny registration to certain individuals. This is done with the best interests of our youth members in mind.

Approximately 10 years ago your registration was no longer desired because of some facts with which you are very familiar. The reasons which were valid at that time still remain.

If you feel the need to discuss this with us further, this is your prerogative.

Sincerely,

Paul I. Ernst, Director

Mrs. Ernst,

Not being sure why my "registration was no longer desired" I am asking you to allow to either deny or change the unknown charges against me.

I am guilty before being charged and is this the way of one of the foundations of America?

What does one do to gain ones registration in the one activity which has been fore most in ones life. Have worked in Scouting most of my life. It has been a great moving force in my life and can only hope to advance the teaching of the Boy Scouts of America in many other young men.

Not sure what to say. Only give me a chance to change the charges against me.

Yours in Scouting

Clay Davis

Dear Sirs:

I have been informed by Gene Cruise that my registration to the Boy Scouts of America has been withdrawn.

Not knowing any reason this should be so, I would like an explanation of the facts behind this denial.

I have been in scouting since around 1956 and am a life scout, but, in scouting (I thought) for life.

Any explanation in this matter would be appreciated.

Dear Gard:

The party that we have been discussing
Davis, Carl William Jr.
346 E. Trihammer Rd.
Tulsa, P.T.
Air Force 12700000
Social Security Number [REDACTED]

He has a discharge other than honorable, type 25B. The
information that I have that pertains to his discharge reads
thus:

"Discharge where homosexual act or tendencies were involved
Unhonorable - automatic discharge in lieu of Board".

As you will recall when we discussed this with Armand
Adams, the attorney who has been defending him, he said that he
would attempt to remove the case with the Air Corps.

When I talked with Davis in June he had no knowledge of
any effort in this respect.

Meanwhile he is active in the unit and also in Indian
Dancing which the last evening showed up at our weekly swim
class.

His presence at these events disturbs me inasmuch as his
service record is what it is plus some comments that he made to
boys while serving as a Unit Leader at Camp Barton the summer of
1967.

Sincerely yours

Dear Bill:-

Last week we discussed the unpleasant experience which occurred at the Naval Reserve Station in connection with a training session of the Dance team at their station last July. This situation was put in writing by [REDACTED], "Duty watch Standee" to you on 26 Dec. 1967.

On Friday 2 Feb. I went to the Naval Reserve Station. [REDACTED] was not there but was expected Tues. 6 Feb. Today I called again and talked with him about the July affair. He gave me about the same information he had given you earlier. Said he had been a Scout himself and was much disappointed to see boys engaged in throwing and breaking pop bottles and had ordered them to leave. He said he did not know the name of the leader who mustered up [REDACTED] comments which could not be understood as they left [REDACTED]

He pointed out that most people who use the facilities check in and report their presence and show some appreciation but that this group had not extended this courtesy.

He thinks that your talk with the group was helpful. No unfavorable report has come to his attention since that time. (I got the impression he may have been away some in recent months and I do not know how frequently the Scouts use the Naval Reserve Station.)

Apparently this group ^{is} quite willing to make their facilities for use by appropriate groups such as older Scouts but they are very scrupulous about having things carried with order and purpose.

It seems clear that the leadership, who ever was responsible, was not effective or acceptable on the occasion last July. However, I found no evidence of unacceptable conduct on any occasions when scouts may have been there since that time. Nevertheless, I believe it is important for scout leaders and scouts to recognize that this is public property and that we all have reason to be appreciative and acceptable guests whenever we use the facilities.

With this note I return the letter [REDACTED] wrote to you on 26 Dec. 1967.

Ref : Conversation of July 67

The conduct of the Boy Scouts prior to our conversation of last summer was not in keeping with the traditions of the Boy Scouts. Their attitude and manner were such that I was forced to ask them to leave the building and not come back until they could conduct themselves in the proper manner. The leader then made some derogatory remarks under his breath which I could not understand.

You were contacted by our station Commanding Officer and was so informed.

FROM: Martin P. Stephen, Director of Field Services

Attached is your identification questionnaire related to Charles Davis applying to be Webelos Leader in Pack 673, Baltimore City. I am sorry that it has taken this long to find information on Mr. Davis. I will fill you in with the following:

Mr. Davis no longer lives at the address given on the original application and we have no new address for him. His full name is Charles William Davis. We know that he has been in the service and most probably the Army from what we can ascertain from the people with whom we have spoken. He was married but is presently separated.

We are of the belief that due to his employment, other activities and family problems, he will be inactive with Pack 673 to which he had applied.

If further information is deemed necessary please let me know.

Sorry to have to write again, but we still have not received the additional information we need concerning Carl W. Davis, formerly registered as Scoutmaster of Troop at Shaw Air Force Base.

Re: Carl William Davis, Jr.

Dear Mr. Jones:

Thank you for your confidential record sheet dated March 7 concerning Carl W. Davis, Jr., formerly registered as Scoutmaster of Troop 363 at Shaw Air Force Base. However, before we can take final action regarding placing Mr. Davis on our confidential file, we really need some more definite information.

Although your record sheet indicated that Davis was relieved from assignment from the Air Force under authority SDN257 Chapter 2 Section F AFM 39-12 on October 31, 1966, we would very much appreciate knowing the details regarding this situation and what actions by Davis led to his discharge.

For what reason should he be put on the file? We need to know some facts about this matter. Would you please write us a letter and outline the complete story, together with any supporting documents or statements that may be available pertaining to this situation so that we can determine how this matter should be handled.

Thanks very much for your additional help.
