I would have preferred that the Los Angeles Council take the action but have been informed that his connection with the Los Angeles Council was recently terminated on other than moral reasons.

To Whom it may concern:

I, [redacted] swear that on a camping tour of Troop 58 that one, Richard Talt, who professed to be a professional scouter of the Los Angeles Council tried to take liberties with my person by fondling me and handling my personal parts, (my penis etc.) I ran away from him and informed my Scoutmaster who immediately took steps that no other boys were to ride in Mr. Talt's camper. There were other attempts by Mr. Talt which I warded off by staying close to our other leaders and other Scouts in the troop.

He has asked me to go on a fishing trip with him which of course I will not do. I have informed my father, Mr. [redacted] and he in turn was advised by our Scoutmaster Mr. Mogul to see Mr. Manny Goldberg, Staff Director of the Crescent Bay Area Council.

These events took place during our recent trip of Troop 58 from July 12 to July 27th.
