Dear Giles Pelkey,

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

William M. McIlroy
Scout Executive
I am camping at camp D. Crawford with my camp in Scoutmaster, Lorrin Carme.

At about ten-thirty on Tuesday the thirteenth of June I was lying on my back under a tree in the coldest and quietest part of the camp. I took hold of my pen and had let the point of my mouth on it. Before this he had been walking around in his under-

wear. I recall this is the truth.

I swear to this statement.

Daniel Bray, camp director.

Thomas P. Smith, Scoutmaster.

On June 14, 1978 at approximately 4:00 p.m., Mike Harris and myself had delivered a letter to Giles Pelkey at his place of employment at Wilco Dutch Square Office. He works in the photography retail division.

I said, "Giles, here is a letter which Mr. McElroy asked me to hand deliver to you. Please contact him if you desire to take further action." There was no other conversation on the part of anyone present. Giles Pelkey did not speak. He took the letter and read it. We then left.
